

MEET US IN ST. LOUIS IN 2008

AT THE SHRINERS IMPERIAL COUNCIL SESSION

In the Shine Convention Marketplace

When: June 29 –July 3, 2008

Where: St. Louis Missouri at America’s Center/Edward Jones Dome

In 1997 the Shriners met in St. Louis and experienced a larger than normal attendance because of the central national location, easy access and the many “tourist” related activities and venues in the metropolitan area. Since that time, there are eight new hotels downtown, the new Busch Stadium, and new developments of residences, shops, restaurants and casinos. We expect similar participation in 2008.

All Shriner hotels are within the downtown core of the city. The majority are within easy walking distance of America’s Center and the three headquarters hotels are directly across the street. All convention activities will take place either in the Center or headquarters hotels, affording the merchant maximum exposure to approximately 20,000 potential customers.

We’ll be happy to send information regarding the St. Louis Marketplace to you. Just fill in the form below and mail or fax it to us or send us an email and we’ll continue to send updates and pertinent information to you.

Name _____ email address: _____

Company _____
