

On Sunday night at 6:30, the Moolah Highlanders would like to ask all visiting lads and their lassies to join us at McGurk's at Twelfth and Russell for an evening of good Gaelic music and drink.

Competition will be Monday morning June 30 at Keiner Plaza. Keiner Plaza is 4 blocks south of the convention center at Eighth and Chestnut. Registration will begin at 8:00 am. Entries will be taken at three levels in all the competitions both band and solo. Competition for the bands begins at 9:00 am. The individual competition for piping and drumming (snare, bass, tenor and drum majoring) will follow.

The rules of the competition will be based on those of the Midwest Pipeband Association. The bands will be judged on the playing of a quick march medley (QMM), any number of quick marches of common or compound time signatures played in succession within a time limit of 2:45 to 5 minutes.

A massed band will be formed in the competition area after the competitive events.

After the competition the participants will adjourn to the America's Center Convention Center for the presentation of award and a S.C.O.T.S business meeting.

Tuesday night July 1 will be the parade. Plans are being made for a Massed pipe band in the parade.
